### Quiz/Test Corrections

- In order for the quiz/test corrections to be considered for any additional points added to your original grade, you **MUST** have a parent signature on the original quiz/test. Without that signature no points will be given.
- If you didn't have a study log for this assessment, please provide an explanation as to why at the end of these corrections on a separate piece of paper.
- If you need a second correction page please pick one up and/or print one from my calendar.
- Staple your original test to the back of these corrections and submit. Must be turned in on time to count - **no late submissions accepted.**

Section/Problem #	Your response	Correct Answer	How did you know?
EX: Sec A, #2	diez	ocho	In my numbers list it shows 8 is ocho
